**Business:** Rev. Cindy Frado came to the meeting explaining points from the application made On 2/9/16 and to point out that the request for a French drain to First Parish church was indeed preservation of the church. The work on the North side entrance would also be preservation of a historic structure (the church). The work would be done by a local contractor.

Tony Matteo made a motion to fund the request for First Parish for the French drain and work to the side entrance. Bob Hall seconded motion. Motion passed with 3 ayes and 1 abstention.

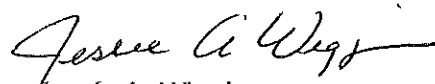

The Trust for Public land was reviewed and the \$75,000.00 was already encumbered from last year. Tony Matteo made a motion that for this year to encumber another \$25,000.00 to facilitate the purchase of the land for conservation.

Robin Conley seconded the motion. All voted in favor.

Town meeting will be May 2nd.

Meeting adjourned

Respectfully submitted
